

## TAX Check Off

Of course, the beginning of each year brings the burden of filling out our tax forms and sending money to the government despite knowing we could spend our money more effectively than the government!

But since taxes aren't going away any time soon, we would like to ask that you might consider helping out your local Republican party while paying Uncle Sam. As you prepare you state taxes this year, I ask that you please support the Kentucky Republican Party by participating in the Political Party Check off.

On the Kentucky state tax form both you and your spouse, have the option of sending \$2 to the Republican party without effecting the amount of your refund or tax due. The Kentucky Republican Party will receive \$1.50 and your County Republican Party will receive \$.50 of this contribution. This money is extremely helpful in our mission to bring better government to the state of Kentucky and Jefferson County by running strong Republicans in every major election. We will be good stewards of your donation by following these six goals:

- Ensure Republican representation at every polling place in Jefferson County.
- Support local Republican candidates through maintaining a party Headquarters.
- Provide support for special elections that are held in Jefferson County.
- Promote activities to increase Republican voter registration in Jefferson County.
- Rally Republican supporters with fun events such as the Unity picnic and Super Saturday.
- And support vital GOTV efforts

An example of this check box is featured below.
